* These figures show the fluctuations of the series when the original data shown on pp. 350, 351 of this issue have been corrected for seasonal variation and secular trend, as described in the REVIEW for April, 1919, p. 139, and the *Supplement* for July, 1919, pp. 7-10.

† The corrected items of the series are computed from the *three months moving averages, centered*, of the actual items.

‡ The original items for this series, upon which the corrected items are based, apply not to the entire month, but to the first day of the month.

§ The original items for this series, upon which the corrected items are based, apply not to the entire month, but to the last day of the month.
